

## **INNOVAMARE**

### **TRANSFORMING BLUE ECONOMY FOR SUSTAINABLE ADRIATIC SEA!**

Roadshows will be organised:

- Dubrovnik organized by University of Dubrovnik – April 2022.
- Venezia organized by Union Camere del Veneto – June 2022.
- Bari organized by ARTI – APULIA REGION AGENCY FOR TECHNOLOGY AND INNOVATION – July 2022.
- Rijeka organized by University of Rijeka – September 2022.

Idea of Roadshows is to present Innovamare innovation ecosystem and to involve different relevant actors in our innovation ecosystem, primarily from Italy and Croatia, with broader reach to other countries on Adriatic such as Slovenia, Albania, Montenegro, BIH or Greece.

It is an opportunity for networking through personal dialogue, transferring knowledge as well as opportunity to jointly develop new project concepts and establish partnership consortiums for future calls in blue economy sectors and technologies.

#### **Target groups**

1. Private sector - focus on blue economy sectors
2. Public sector - focus on public companies, harbours, national parks etc.
3. Public sector - focus on public institutions as regional development agencies, incubators, business supporting institutions
4. Public sector - local and regional government
5. Scientific research institutions - universities, institutes, scientific parks, innovationa centers
6. NGOs - focus on blue economy
7. Experts

## 2022 Innovamare Roadshow Agenda

**Hosted by University of Dubrovnik**

**Location – City of Dubrovnik**

**Date – 27. - 29. April 2022.**

### Transportation info

Transport is organized individually. Parking space for those who are arriving with car is available in accommodation site.

### Accommodation info

University of Dubrovnik has organized for us roadshow facilities and accommodation in their new student dorm. The prices for accommodation will be on very friendly bases for participants - <https://www.unidu.hr/student-dormitory-2/>.

If you choose accommodation in student dorm, direct contact for accommodation reservation is [nikoleta.simunovic@sdu.hr](mailto:nikoleta.simunovic@sdu.hr)

### Participants info

Maximum number of participants is up to 100.
