### INFORMATION ON PROCESSING OF PERSONAL DATA FOR SCIENTIFIC RESEARCH PURPOSES (ART. 13 REG. UE 2016/679)

#### **Blue\_Boost (in the following, “Project”):**

Dear applicant,

pursuant to Regulation (EU) 2016/679 and the subsequent national transposing laws (jointly, the "GDPR"), with this privacy information notice we wish to inform you about the processing of your personal data.

#### **Aims and data flow of the Project**

The project Blue Boost aims at unlocking and boosting the potential of knowledge/technology transfer, transnational and cross-sectoral cooperation of key innovation actors of traditional (primarily fisheries and ship-building) and emerging (primarily Blue technologies-including aquaculture- green shipbuilding, robotics and new materials) Blue Growth sectors by reinforcing the relationships and interactions within and among their clusters according to an open source, knowledge sharing&community based approach.

To enforce the relationship and interactions between companies of the Adriatic area the project is selecting the participants to the Cross Field Visits programme and to provide them with travel fiches. The project is led by the CROATIAN CHAMBER OF ECONOMY and involve Puglia Region, as partner, and ARTI – The Apulian Regional Agency for Technology and Innovation (in the following, ARTI) as technical support.

The data flow of the project is described in the following: the applicant will provide its data within a procedure for the selection of participants to the Cross-Field Visits organised by the Project partners. If selected, the participants will sign an agreement with ARTI with which it undertakes to participate in the Cross-Field Visit and the related tasks in return for a travel fiche that covers the cost for the participation. Each participant organization will also assume the obligation to write, at the end of the experience, a report on its activities, the competence acquired, the possibility of transfer the same in their own contexts, based on the form provided by ARTI. The data and information released within the procedure for the selection of participants and through the report can be processed by ARTI, Project partners and the ADRION Programme through paper and electronic tools for internal analysis and, finally, published on digital platforms.

The provision of data is mandatory for the purposes of this selection and in accordance with the regulation for the protection of personal data Regulation (EU) 2016/679 – GDPR. Treatment of personal data will follow the principles of fairness and transparency according to Regulation (EU) 2016/679 – GDPR and the subsequent national transposing laws.

The applicants' data relates only to participation in the Blue Boost project and not to any other projects that may be linked to the ADRION programme or carried out by ARTI.
