Article 29

Competitive procedure with negotiation

1. In competitive procedures with negotiation, any economic operator may submit a request to participate in response to a call for competition containing the information set out in Annex V parts B and C by providing the information for qualitative selection that is requested by the contracting authority.

In the procurement documents, contracting authorities shall identify the subject-matter of the procurement by providing a description of their needs and the characteristics required of the supplies, works or services to be procured and specify the contract award criteria. They shall also indicate which elements of the description define the minimum requirements to be met by all tenders.

A handwritten signature in black ink, consisting of several loops and a vertical stroke at the end, located in the lower right quadrant of the page.

Article 5

Methods for calculating the estimated value of procurement

1. The calculation of the estimated value of a procurement shall be based on the total amount payable, net of VAT, as estimated by the contracting authority, including any form of option and any renewals of the contracts as explicitly set out in the procurement documents.

Where the contracting authority provides for prizes or payments to candidates or tenderers it shall take them into account when calculating the estimated value of the procurement.

A handwritten signature in black ink, consisting of several overlapping loops and a long vertical stroke at the bottom.

Article 28

Restricted procedure

1. In restricted procedures, any economic operator may submit a request to participate in response to a call for competition containing the information set out in Annex V parts B or C as the case may be by providing the information for qualitative selection that is requested by the contracting authority.

The minimum time limit for receipt of requests to participate shall be 30 days from the date on which the contract notice or, where a prior information notice is used as a means of calling for competition, the invitation to confirm interest was sent.

A handwritten signature in black ink, consisting of a large, stylized loop at the top, followed by a vertical stroke, and a horizontal base with a slight curve on the right side.

Article 27

Open procedure

1. In open procedures, any interested economic operator may submit a tender in response to a call for competition.

The minimum time limit for the receipt of tenders shall be 35 days from the date on which the contract notice was sent.

The tender shall be accompanied by the information for qualitative selection that is requested by the contracting authority.

A handwritten signature or set of initials, possibly 'AF', written in black ink. The strokes are fluid and cursive, with a large loop at the top and a long vertical stroke extending downwards.
